Fourth Grade

2017 - 2018

The fourth grade teachers would like to welcome you. You are now fourth graders. Next year will be an exciting fun-filled school year. We hope that all will enjoy their summer vacation and be ready for school again in August.

There are many things that you can do with your child to prepare him/her for fourth grade during the summer months. **It is very important for all students to memorize their multiplication facts.** Much of the material in math requires knowing the basic multiplication facts. Also, encourage your child to read. The Public Libraries in Ripley and Aberdeen have reading programs during the summer. Reading levels will only improve if it is practiced. **Fourth grade is departmentalized so it is important to buy the 2 inch binder and folders to help keep your child organized as they travel to each teacher.**
