

**ABCAP  
Summer Meals Program  
406 W. Plum St.  
Georgetown, OH 45121**

May 15, 2018

Dear Parent/Guardian,

Attached you will find an application for 11 nutritious meals per week for children ages 1-18. To be eligible, your child must meet the qualification of the attached sheet. On the second page of the application you will find the family income guidelines.

Please, entirely complete the back of this form and **return it to your child's teacher as soon as possible.** We hope this year's grants will serve up to 350 students. **As you complete the application, please write down ALL children in your household between the ages of 1 to 18.** We will only accept **one application per family.** **Please remember to circle the correct number of family members in your household and your monthly income.** **If either of these two parts are not completed, your application will be voided.**

**Not all applicants will be selected to receive the summer meals.** Unfortunately, we will not be informed as to the total number of allowable meals received until the first of June. Therefore, please **do not automatically think your child/children will receive summer meals.** A letter will be mailed to the families receiving the meals. If you do not receive a letter by June 8, 2018, you will know your child/children will not receive the summer meals.

Funding for the program is being provided by the Brown County Department of Job and Family Services and is contingent upon funding from the TANF/ Prevention, Retention, and Contingency Program.

If you have any questions please contact the summer food program at 937-378-6041, ext. 236.
