Subject **A. Public Comments**

Meeting Aug 17, 2021 - Regular Meeting

Category 2. Public Comments/Visitors

Type Information

A gentleman spoke regarding the mask policy. He stated "He is 91 years old and has survived many pandemics. He was concerned about the mask mandate and the government having control. Each person should have their own choice and in his opinion nobody should wear a mask."

3. Administrative Report

Subject A. James Wilkins, Superintendent Monthly Update

Meeting Aug 17, 2021 - Regular Meeting

Category 3. Administrative Report

Type Information, Report

Phil Chirappa gave an update regarding the HVAC project. All units have been installed with the exception of a few in the HS which will be installed over fair break.

Superintendent's Report – Jamie Wilkins

Vision, Continuous Improvement and Focus of District Work

- I met with **RULH Administrative Team on Wednesday, July 29th**. We discussed preparations for the 2021-2022 school year.
- My opening day presentation for all RULH District employees** was held directly after the in-service breakfast. We focused on teacher and student accomplishments from the 2021-2022 school year.
- Teachers have been working to prepare for the school year by completing professional development** MTSS (Multi-Tiered System of Supports) and OTES 2.0. Building level meetings have been held this week. Covid-19 preparations and other items were discussed at the building level.
- I am recommending several of our new teachers for approval as long term substitute teachers.** Due to various issues, some of their licenses have not been issued yet. Therefore, we must have them submit their resignation and then rehire them as long term substitutes (so that we can issue them a contract that reads long term substitute). All have a substitute license and are working toward attaining their professional license.
- In September I will report state test results from the 2020-2021 school year.**
- Welcome: Phil Chiarappa, President of Control Concepts Ohio, is here this evening to update the board on the progress of our HVAC Project.**

Communication and Collaboration

- **On Friday, August 6th, I attended the Brown County Superintendents' meeting.**
- On Friday, August 6th, I attended the Legal Update at the Brown County**

ESC. Policies and Governance

- I plan to meet with the **RULH OTES Committee** in early September. The committee will review the current OTES/OSCES manual and adjust it accordingly.
- The 21-22 RULH Student Handbooks** were printed by Standard Quick Print and were delivered to the principals.
- On Tuesday, August 10th, the SHAC Board of Directors** met with the league athletic directors. The SHAC Board members voted me as Board President of the SHAC for the fourth consecutive year. Ticket prices are \$6 per adult and \$4 per student for all SHAC events this school year. All schools will return to cash ticketing at the gate.

- I am recommending the 2021-2022 Reopening Plan for board approval.** The plan recommends masks in school but does not mandate them. The plan allows parents to decide whether their child wears a mask. The plan does require masks on school buses (until September 13th as per the federal mandate).

Instruction

- We will be utilizing Schools PLP (Personal Learning Platform) for credit recovery purposes and for students (or families) who have documented medical reasons that prevent them from attending school in-person.**

Resources

- The PrimaryPlus Ripley Dental Center will open in the very near future.** There may be a grand opening scheduled. I will keep you posted.
- **The final phase of the elementary playground construction was recently completed when the parking lot was painted with “kid friendly” activities.**
- Several administrators met with Cincy Alarms to discuss additional 79 sirens to be added to our lockdown security system.** Cincy Alarms provided us with a quote for the additional alarms to be installed at the fair break. I am recommending to the board to approve the quote with the possibility of a reduction in sirens (and thus a smaller grand total). We have \$19,000 in federal grant money allotted to school safety. The quote for the additional sirens is for \$29,026.42.
- Mr. Zurbuch and I met with Aaron Pankoke, Vice President of Track Surfaces Company, on Wednesday, July 28th.** Mr. Pankoke is developing a quote for resurfacing the track. Mr. Zurbuch supplied Mr. Pankoke contact information for local asphalt companies (so he could procure a quote for replacing the asphalt).
- Thank you to Mr. Zurbuch and the custodial staff for preparing the schools for the new school year.**

Respectfully submitted August 18th, 2021 - Jamie Wilkins
